Time Management

Communication Skills

LANGUAGES

English

Urdu

PROFILE

As a proactive and self-driven graduate specializing in frontend web development, I bring a wealth of experience in HTML, CSS, Bootstrap, Tailwind CSS, and JavaScript. With a solid foundation in Software Engineering acquired during my Bachelor's degree, I bridge the gap between theoretical understanding and practical application. I am actively seeking a challenging position within a reputable organization where I can further enhance my skills, expand my knowledge, and contribute my expertise to meaningful projects.

EDUCATION

Software Enginerring

From Sindh University Jamshoro

2019-2022

Major Subjects:
Object Oriented , Web Engineering, Python, Database Mangement System, Software Design and Architecture and more.

CERTIFICATION
